### **Minutes of the last meeting**

Minutes of the last meeting held on 21 March were read, agreed and signed.

### **Matters arising**

Mr Treadwell reported back that the new MP – Ed Vaisey – had promised during the recent General Election to exert his influence with BT concerning the issue of broadband in Ashbury. ST will follow this up with Mr Vaisey. ST

Improvements to the building works at Upper Mill were noted. No further action is planned to be taken.

There have been no concerns raised about the green in Kingstone Winslow and as a result this matter will now be considered as closed.

The clerk will contact the Highways department concerning safety issues surrounding the triangle of grass at the bottom of Chapel Lane. Suggestions will be made to protect the triangle and prevent car drivers for executing U-turns on Ashbury Hill. JRG

In the meantime, Reg Smith will monitor the number of vehicles currently carrying out this dangerous manoeuvre and report back to the clerk. RS

The clerk will find out if there is funding for the planting of trees in the parish. If so, the council may approach Mr Reade to work in co-operation, in order to effect better screening of the barn as present. JRG

A note of thanks was expressed to Marion Turner for arranging the litter blitz recently in the village.
